Beer

Stanley Park 1897 Amber #393991 6/330 ml \$15.15

1897 Amber is a naturally crafted, unpasteurized, Belgian style amber. The hand selected Belgian Amber, French and Canadian malts are brewed with the finest English and European characteristic hops to produce a beer of nuance. The mellow toasted malt and even body is perfectly balanced with a soft bitterness and mild hop aroma. The resulting light bodied beer has a subtle flavour complexity and an exceptionally clean finish.

Stanley Park Noble Pilsner #135962 6/330 ml \$15.15

This Belgian style Pilsner is made at Canada's First Environmentally Sustainable Brewery. Crafted with three Noble Hop varieties, select malt, and a unique yeast strain this beer is lagered for 28 days to mellow flavours and aromas resulting in a remarkably pure drinking experience.

Youngs Double Chocolate Stout #486951 500 ml \$4.55

Chocolate malt and real dark chocolate are combined with Young's award winning rich, full flavoured dark beer to craft a satisfyingly indulgent, but never overly sweet experience.

Brandy

Pisco Capel Reservado #317347 750 ml \$29.60

This natural grape spirit has been aged for up to six months then distilled in crystal clear water from the Andes Mountains. Its delicate bouquet and versatile quality make it ideal for food-friendly cocktails.

Vodka

Yukon Winter Vodka #777363 750 ml \$48.95

Yukon Winter Vodka is distilled from a secret blend of spirits using Yukon grown Yukon Gold potatoes, the finest Canadian rye and malted barley. It is distilled four times then filtered a minimum of five times including a blend of charcoal and genuine Yukon gold. Slightly sweet and well-rounded vodka, with a hint of vanilla and a pleasant velvety texture, with very little aftertaste.

Solstice #777240 750 ml \$44.95

Solstice botanical vodka is an original vodka crafted in the Yukon. The smooth flavour is a fusion of fruity raspberry, mixed with a sharp sage, and rounded by the earthiness of rosehip. Sip on the rocks, or create a limitless combination of flavourful martinis, cocktails, and shooters.

Klondike Vodka #777300 750 ml \$39.95

Their distilling methods are slow and careful, as the locals say, "They are on Yukon time." With this slow and steady "Yukon" technique the impurities are taken out to leave a crystal-clear product that is carefully blended with the gold-laced waters of the Klondike to create a vodka that is as pure, pristine and adventurous as the wilderness it represents.

Port

**Smith Woodhouse
Late Bottled Vintage** #304527 750 ml \$42.65

Very dark red/purple in color. Nose has spice, oak, blackberry, blackberry liqueur, raisin, and chocolate. The palate is rich and deep, blackberry, apricot, raisin, oak, prominent tannins, medium plus finish. This needs about 20 minutes for the alcohol to blow off and then really opens up nicely.
