ALEXANDER KEITH'S I.P.A. 8/355ML NEW 8 CAN PKG Code#687251 \$14.95

Alexander Keith's India Pale Ale was originally crafted for British troops serving in India. The high quality ingredients and the preservative effect of hops kept the beer fresh on the long voyage down the coast of Africa, around the Cape of Good Hope and into the Indian Ocean. This superior ale soon became the favorite of British troops everywhere. With so many soldiers stationed in Halifax, each with a daily 1 gallon ration of beer, it made sense that the city have its own India Pale Ale - or so thought Alexander Keith. In 1820 he began brewing India Pale Ale under his own name. To this day, his fine ale is still produced only in Halifax.
