## Gambling in Licensed Premises?

Gambling is illegal in Licensed Premises even if you are closed for the evening. This includes poker tournaments, sports pools, slot machines and dice games. The only exception to this prohibition in Yukon bars and restaurants is selling raffle tickets for a charitable organization. An example is the Rendezvous Queen tickets that contestants annually encourage bar patrons to purchase. The key to permitting the selling of raffle tickets is that these lottery schemes are licensed under the Yukon Lottery Licensing Act and the proceeds of the ticket sales are used entirely for charitable purposes. Under the Criminal Code of Canada and the Yukon Liquor Act, ALL other gambling is illegal in licensed premises.

## ENTERTAINMENT IN LICENSED PREMISES

### Exotic Entertainment:

Exotic dancers/strippers will be allowed, provided the performance is not obscene under the provisions of the *Criminal Code*.

### No minors are allowed in the licensed premises.

The exotic dancer/stripper must be fully clothed if in the licensed premises before, between, and after performances. Members of any audience may not touch or be touched by the exotic dancer/stripper.
