

Title: OFFENCE-PENALTY GUIDELINES		TAB 15
Issue:	The need to provide guidance to inspectors in the enforcement of the <i>Act</i> and regulations.	
Authority:	See various sections cited in the attached Offence-Penalty Guidelines.	
Background:	The board acknowledges the use of a published Offence-Penalty Guidelines by the corporation staff. The purpose of the penalty guidelines is to ensure consistency in the enforcement actions taken by liquor inspectors when addressing non-compliance with the <i>Act</i> and regulations.	
Policy:	<p>Options for enforcement actions listed in the offence-penalty guidelines include:</p> <ul style="list-style-type: none"> • warning letters as a formal communication tool; • liquor licence suspensions; • tickets issued under the <i>Summary Convictions Act</i> and regulations; • laying of information with Department of Justice which can lead to a prosecution; • referral to the board. <ul style="list-style-type: none"> • An inspector can suspend the licence for up to 14 days: section 79(6) <i>Liquor Act</i>. • The president can suspend the licence for up to 12 months: section 17(2) <i>Liquor Act</i>. <p>The board acknowledges that the use of the Offence-Penalty Guidelines provides several options to liquor inspectors, allowing for the use of discretion in its application. The purpose of this is to allow for inspectors to consider all mitigating factors prior to imposing sanctions.</p> <p>In addition to the possibility of cancelling a licence, the board is also free to consider suspending a licence with or without additional terms and conditions to deal with the alleged offences that gave rise to the referral in the first place.</p> <p>Through the publication of the document, licensees and the public are able to see the fairness in application as well as the severity with which each offence is viewed, and thereby be made aware of the potential consequences of those offences.</p> <p>(See attached Offence-Penalty Grid.)</p>
