Decision of the Yukon Liquor Board

Item 10-02:

The Yukon Liquor Board approves in principle the new application for a Food Primary – Beer/Wine license for 40078 Yukon Inc. dba Heather's Snack Haven providing that all the requirements of the Liquor Act and Regulations have been met.

Yukon Liquor Regulations 14.1 (g) and (h) state the board may consider, in determining whether the primary purpose of the business carried on in the premises is or will be the service of food, the financial records of the premises and the ratio of receipts from food sales to receipts from liquor sales of the premises. The applicant is required to account for licensed premises food sales separately. The licensed premise is considered to be the dine in restaurant area.

The Yukon Liquor Board denies the new application for Off Premises Liquor – Beer/Wine. The applicant may reapply for an Off Premises Liquor - Beer/Wine license after the Food Primary – Beer/Wine license has been in effect for six months.
