WHITE WINE

Yellow Tail Sauv. Blanc - Australia #122259 750ml \$14.85

This is a crisp, easy drinking Sauvignon Blanc with impressive freshness. Notes of grass clippings, crisp green beans and gooseberry with elderberry flowers. Snappy lime leads the palate followed by subtle peach, grassy/vegetative hints, herbs and lemon drops.

Yellow Tail Pinot Grigio - Australia #670521 750ml \$14.85

An impressive, inexpensive Pinot Grigio with creamy aromas of white fruit, citrus and almond oil with tropical notes. Expect a very crisp wine on the palate - snappy citric flavours, minerals and white fruits. Pair with shellfish or fresh starters.

Sandhill Pinot Blanc - Canada VQA #541185 750ml \$19.95

Rich on the nose - appealing tropical fruit, a hint of toffee, and peach nectar. The palate is smooth and creamy - spiced peaches, exotic citrus peel and more tropical fruits appear in the mouth followed with a dose of caramel - a very tasty wine but one that clearly introduces a good amount of oak into it.

Vina Tarapaca Sauv. Blanc - Chile #414185 750ml \$12.35

This wine may be light in colour but it's not light in value. Bright aromas of gooseberry, citrus, elderberry and hints of asparagus and jalapeno. The palate is tart and snappy with similar citric, herbal and gooseberry flavours. Pair with cucumber and goat's cheese crostini topped with a sprig of dill.

Pascual Toso Sauv. Blanc - Chile #135897 750ml \$15.75

Fresh and floral aromas showing grass clippings, lemon, passion fruit, star fruit and minerals. Refreshing on the palate with more clean citrus and minerals hints of honey and mixed tree fruit flavours.
