**Remy Martin – Louis XIII      #67090      700ml      \$1742.35**  
**Grande Champagne Cognac**

The highest quality Cognac on the market today. Louis XIII has been carefully tended by three generations of Remy Martin cellar masters. The result is a magical combination of savoir-faire, art and patience. Remy Martin Louis XII uses only grapes from the Grande Champagne region which guarantees its unique, exclusive quality. It is blended from eaux de vie, some more than a century in age, then it is aged in "tiercons" barrels that are several hundred years old, in a cellar set apart for it alone. Undoubtedly the world's finest, this exceptional Cognac has always been a favorite in the world of politics, fashion and art. Its connoisseurs include Christian Dior, Elton John, Queen Elizabeth II, who was served Remy Martin Louis XIII Grande Champagne Cognac in Versailles Palace in honour of her 1957 visit to France. Its colour is a very dark golden yellow with a fiery red tint and mahogany hue. The first nose is of narcissus, jasmine, very old tawny port, cigar box scent, curry, saffron, nutmeg and passion fruit. The second nose is of violet, iris, litchi, pineapple, eucalyptus and sandalwood.

Irish whiskey, honey and herbs combine in Irish Mist's secret recipe for a sweet whiskey liqueur.

The recipe is said to date back more than 1,000 years, based on a recipe for "heather wine" that dates back to the early Irish clans.
