#### Whiskey

**Penderyn Welsh Single Malt** #355875 700ml \$98.50

Penderyn has an exceptionally balanced taste with an aroma of cream toffee and fleetingly of fresh new leather. Then, as the initial sensations fade, the finishing notes of tropical fruits, raisins and vanilla emerge strongly and are long lasting.

**Knob Creek 9 Year Old Bourbon** #326009 750ml \$47.70

Knob Creek spends nine years getting to know the inside of a new charred American white oak barrel. The barrels are charred over an open fire. It is the charring that brings out the distinctive qualities. During this process, the sugars in the oak become caramelized, which account for the maple aroma, the sweetness and the gorgeous amber colour of Knob Creek

#### Vodka

**Crystal Head Vodka** #56663 750ml \$57.35

This Pure Spirit is quadrupled distilled and filtered three times through charcoal followed by triple filtration over Herkimer crystals from one of the planets rarest deposits of close concentrated semi-precious stones. Crystal Head Vodka is perfect as a lone shot, chilled or served in signature cocktails

#### Gin

**Victoria Gin** #645085 750ml \$50.00

Our gin balances the characteristic evergreen flavour of juniper with notes of citrus, floral, and spice. We distill it in small batches in a gleaming handmade wood-fired copper pot still. Only the middle part of each run, the "hearts", is saved for bottling. The result is an intensely flavored spirit that is as full-bodied and complex as a fine single-malt whisky.

**Tree Brewing** #115501 1/500ml \$3.10

### **Thirty Beaver Amber Ale**

Formerly known simply as 'Amber Ale' this beer is lighter in color than might be expected, it is more bronze than amber. Mild malty nose, with hops in the background. Not exactly a subtle beer, it offers some sweet maltiness, with a dry, slightly rough hop finish. Nice all-arounder when you're looking for something with a little more weight to it than your average pale ale. Look for the sporty cartoon packaging.
