Red Wines

Excelsior Paddock Shiraz #183996 750ml \$17.30

This wine is deep burgundy red in colour with inviting aromas of vanilla and mocha. The palate is rewarded with lingering flavors of licorice and ripe black cherries, supported by soft tannins reminiscent of the fragrance of the Orient.

Three Winds Syrah 2007 #847608 750ml \$15.60

This wine is made with grapes grown just outside of the ancient Roman city of Carcassonne. Look for a spicy, smoked meat, sausage, peppery, savoury, garrigue nose with a touch of tar and black-cherry jam. The palate is youthful with some tannins and plenty of mocha, peppery, meaty, spicy, black cherry, plum and licorice root flavours. A well-made and slightly rustic Syrah that should easily work with grilled entrées off the stove or barbecue.

Little Black Dress Merlot #842344 750ml \$16.50

If you're passionate about Merlot, make Little Black Dress your "go to" red. This wine is rich with aromas of ripe black cherry, cranberry, and warm herbs, complemented by hints of vanilla and toasted oak. This medium-bodied Merlot can seduce even the most experienced of palates with its nice lingering finish.

White Wines

Matua Shingle Peak #309591 750ml \$20.50
Sauvignon Blanc

Light green in colour. The nose is intense with tropical and citrus fruits. The palate is mouth-filling with sweet generous fruit. Classical Marlborough acidity compliments the fruit and gives structure and length to the wine. A fresh, crisp Sauvignon Blanc perfect for drinking now.
