Sparkling Wine Italy

Villa Teresa Organic Frizzante Rosé

#826875 750ml \$17.90

The gentle bubbles in this wine lift the pretty aromas of wild strawberry and flowers. On the palate it is refreshing with rose petals, ginger and sour cherry notes. Food Pairing: Great with anything dressed with raspberry vinaigrette.

White Wine New Zealand

Kim Crawford Pansy Rosé #142992 750ml \$17.05

Pansy is a Kiwi ode to pink. Almost more Beaujolais at this point, the merlot/cabernet franc blend gets a dash of late harvest chardonnay to add some sweetness to the mix of earthy leafy berry fruit flavors. It comes from New Zealand's Gisborne and Hawkes Bay regions.

Hester Creek Semillon Chardonnay (unoaked) #603738 750ml \$23.70

Semillon Chardonnay has been blended to retain the crisp, fragrant aromas of gooseberry, pineapple and passion fruit. Long, clean flavours of pineapple on the palate, together with a great mouthfeel, make this a delicious wine.

Smooth and light with distinctive aromas of pear and quince. Flavours of citrus and tangerine fruit round out this delightful wine.

Red Wine **Spain**

Bardosa
Tempranillo/Garnacha **#922120** **750ml** **\$11.70**

A blend of Tempranillo, Grenache and Mataro. Positively bursting with juicy red & black berries. There's a touch of pure "grapey-ness" about the flavour too. Lots of spice on the back palate; mostly nutmeg & pepper. Those are the keys, but tomato flavoured, soft acidity and a tiny suggestion of earth both help it along. A lick of tannin on the finish too. Easy to drink & food friendly.

United States

Delicato Woodhaven
