#### *Rum*

**Bacardi 8** #492520 750ml \$34.70

Until recently Bacardi 8 Year Old Rum had remained the special reserve of the Bacardi family. It is a premium, golden, sipping rum, made from a blend of Bacardi Rums aged between 8 and 16 years.

The final Bacardi 8 Year Old Rum product has a deep golden colour, a complex yet well rounded aroma of prunes, apricots, vanilla and nutmeg over a clean oak base and a long expansive finish with a rounded palate.

**English Harbour 5 Yr Old Antiqua Rum** #391078 750ml \$33.70

This rum continues to win international prestigious awards. The FiveYear Rum received a Double Gold Medal Award for the second consecutive year in the prestigious San Francisco World Spirits Competition in the USA, ranking English Harbour Five Year as one of the best rums in the world.

**Flor de Cana Grand Reserve 7 Yr** #340745 750ml \$31.55

Dark brown rum distilled from fermented molasses. It is aged 7 years in used whisky and bourbon barrels. Flavors of roasted nuts and dark baked fruit and spice in the body lead to a balanced smoky oak finish.

**Havana Club 7 Yr Old** #53140 750ml \$36.75

This is a perfect example of Cuban style rum (fitting since it's actually from Cuba). There's a huge amount of rich caramel character on the nose, with a light wood backing. Take a sip and you get a rush of heat, then smoothness: Sweet molasses and caramel, cane sugar, and a bit of cinnamon character in the finish. Very light on the wood, it veers into sweet vanilla -- but it's never cloying and never overly sugary.

#### Cruzan 12 Yr Old

#559294 750ml \$48.45

Cruzan Single Barrel Rum is a blend of vintage rums which have been aged up to 12 years. Once blended the vintage rums are then refinished in a new oak barrel for about one year. Barrels are bottled individually with each bottle of rum coming from a single barrel. Because each barrel will have different characteristics, each bottling will be different from the last, but the general character of each bottling is similar due to the previous blending process.

#### Goslings Black Seal Bermuda Rum
