Decision of the Yukon Liquor Board

ITEM # 09-37

The Yukon Liquor Board clarifies the **Whitehorse Inn** Liquor Primary Licence application condition that the existing rear fence remain as is, provided it is structurally sound. An 8 foot high by 400 foot wood fence will be constructed along the west side of the property. An 8 foot high by approximately 270 foot chain link fence and an 8 foot high by approximately 74 foot wood fence adjoining the structure will be constructed on the east side of the property.
